Vote Rebecca Anderson For Sheriff

As Mayor of the Town of Vail, I learned that a community is only as strong as the people who serve it. That is why I am proud to endorse Rebecca Anderson for Eagle County Sheriff.

During my time on council, supporting and retaining our workforce was a top priority. We invested heavily in housing and in our town employees because turnover erodes every service a community depends on. Becca understands this. Her plan starts with retention: measuring organizational health, investing in officer wellness and building a culture where deputies want to stay. A Sheriff's department that keeps its people keeps us safe.

Our council also believed good government is built on partnership, not silos. Becca began her career as a Vail 911 dispatcher, spent 17 years with the Sheriff's Office and now serves as a Patrol Sergeant with the Vail Police Department. I watched her work alongside town staff, partner agencies and residents with professionalism and respect. Her commitment to consistent, community-based policing and to partnering with the School District to expand resource officers in our schools reflects that same spirit.

Finally, our council worked to position Vail for what's next. Becca brings that same approach: honor what works, change what doesn't and prepare for the future. Her training in crisis negotiation and de-escalation, her support for mental health co-responder programs and her insistence on privacy guardrails for new technology show a leader ready for modern law enforcement.

Becca listens first, leads by example and puts people at the center of public safety. Please join me in voting for Rebecca Anderson for Eagle County Sheriff.
