Service First

August 26, 2026

Dear Rebecca,

I am writing to let you know that you have earned my endorsement for Eagle County Sheriff through my leadership PAC, Service First.

In 2018, I helped flip a Republican seat, beating a five-term GOP incumbent to help Democrats take back the U.S. House of Representatives. As a former Army Ranger who served three combat tours in Iraq and Afghanistan, I strongly believe, now more than ever, that we need street fighters who will work to fix our broken politics and build a better future for our county as leaders.

That work starts here in Colorado. Democrats cannot win unless we can compete everywhere, at every level of government. As an endorsed candidate, you join other service-oriented leaders across Colorado and the country who I am confident will fight hard and bring real change to the lives of working Coloradans.

I am proud to endorse your campaign. My team and I are available to provide guidance and support throughout your race. Please don't hesitate to reach out anytime.

If you have any questions or would like to publicly use my endorsement, please contact Bridgette Harrison at bridgette@jasoncrow.org.

Thank you for stepping up in service to our state. Voters are looking for leaders who will fight and who will put their country and community before politics. I am excited to support your campaign going forward.

Sincerely,

Congressman Jason Crow
